

SIMPLY THE BEST ... FOR YOU!

WWW.GKPRO.FR

OUR KNOW-HOW

ROBOCOP EQUIPEMENT

High quality equipment designed for missions to maintain public order, for your protection while guaranteeing comfort of use and safety.

BALLISTIC PROTECTION

Covert & visible bulletproof vests, bulletproof briefcase, plate holders, bulletproof helmets using latest generation technology and materials.

CLOTHING

All our creations are from our design office in France, and benefit from GK design, GK quality and French GK know-how.

UNIFORM PRODUCTION

GK PROFESSIONAL can design your equipment and produce the outfit or uniform you require.

GK PRO BOOTS

GK PRO BOOTS intervention footwear designed in close cooperation with intervention units, is exceptionally lightweight and has outstanding adherence.

HOLSTERS & ACCESSORIES

Design & production combining our French know-how and mastery of the highly technical materials we use.

SINCE 1984, WE HAVE BEEN INNOVATING IN DEFENSE AND SECURITY FORCE EQUIPMENT

Nowadays, the materials, techniques and technology are permanently changing. We take special care to use all these changes to innovate in the creation, production and distribution of our products through a cutting edge research and development programme which is the very essence of our business.

GK Professional, thanks to its know-how since 1984, is attentive to your needs and recommendations in order to provide adapted solutions, guarantee your safety, without putting aside our unique instantly recognisable design.

DESIGN & INNOVATION

Designing the equipment, outfit or uniform you need

MANUFACTURE & TAILORING

GK PROFESSIONAL has its own design office and its own production unit

SALES & DISTRIBUTION

All GK PROFESSIONAL products are distributed and sold worldwide

MSA GAS MASK WITH HOOK SYSTEM #RC9041

- Easy, quick and safe to attach
- Rubber mask contour
- Wide angle of vision
- Limits fogging
- Thin respiratory strength
- EN136 Calls 3 standard

MSA FILTERING CARTRIDGE #RC9042

COOLSAFETY OPTIFIT SINGLE GAS MASK #RC9046

- Widened angle of vision
- Silicone adjustment flap
- Removable assembly

COOLSAFETY FILTERING CARTRIDGE #RC9047

**INTERLOCKING RIOT SHIELD
#RC2001**

- Transparent shield
- Interlocking shield with arched edges
- Double handle
- Foam pad to absorb impacts
- Dimensions: 1000x600mm
- Weight: 4.40Kg
- Heat and flame resistant

**SMOKED RIOT SHIELD
#RC2020**

- Smoked shield
- Rubber edge
- Ambidextrous handle
- Foam pad to absorb impacts received
- Marking area
- Dimensions: 1000x650mm
- Weight: 4.5Kg
- Heat and flame resistant

**CURVED RIOT SHIELD
#RC2010**

- Transparent shield
- Double handle
- Foam pad to absorb impacts received
- Marking area
- Baton holder
- Dimensions: 955x605 mm
- Weight: 3.40Kg
- Heat and flame resistant

INFORMATION APPLICABLE TO ALL BALLISTIC SHIELDS:

PROTECTION : NIJ III, NIJ III+ et NIJ IV

DIMENSIONS : On request
(rectangle, sarcophagus or specific shape)

SHAPE : Curved or flat

SUPPORT : U handle, horizontal bar or separate handle

COATING : Fabric or Linex

OPTION TACTICAL ACCESSORIES:

- Additional flap NIJ IIIA
- Armoured window (size to measure)
 - Episcopes
- Tactical lighting bar with or without laser (light/ IR)
 - Front pocket for additional plate

TRANSPORT ACCESSORIES:

- Quick removal carrying belt
- Transport harness with man/shield interface
 - Tailored carrying rack
 - Trolley
 - Carrying bag
 - Support racks

PLATE CARRIER

PLATE CARRIER COVER WITH QUICK RELEASE SYSTEM #C600

- Cordura cover
- Fire-retardant and water repellent materials
- Pockets for additional front and dorsal plates (250 x 300 mm)
- Removable pockets for additional lateral plates (250 x 250 mm)
- Reinforced shoulders to improve comfort
- Quick release system and extraction handle
- MOLLE system

PLATE CARRIER COVER WITH MOLLE SYSTEM AND REMOVABLE PAD #C601

- Cordura cover
- Fire-retardant and water repellent materials
- Pockets for additional front and dorsal plates (250 x 300 mm)
- Removable pockets for additional lateral plates (250 x 250 mm)
- Reinforced shoulders to improve comfort
- Extraction handle
- MOLLE system

PLATE CARRIER COVER #C602

- Cordura cover
- Fire-retardant and water repellent materials
- Pockets for additional front and dorsal plates (250 x 300 mm)
- MOLLE system
- Fully adjustable plate carrier

OVERT BULLETPROOF VEST

OVERT BULLETPROOF VEST COVER WITH MOLLE SYSTEM #6916N

- 360° protection
- 2 pockets to add ballistic plates (front and dorsal)
- Ballistic pack overlap whatever the adjustment (maximum protection)
- MOLLE loops on the front
- Transport cover
- Optional neck and pelvic protection, sold separately
- Pockets for additional ballistic plates
